

FUTURE COACHES OF TEXAS ASSOCIATION

2026 State Convention - Presenter Information

THEME: WHAT IS A WIN?

If possible, please align your session discussion with this theme keeping in mind that winning is not always about what is displayed on the scoreboard.

OUR GOAL

Our goal is to introduce high school students to coaching through engaging lectures and interactive demonstrations. As a presenter, design your sessions to actively involve students through hands-on activities, group discussions, and real-life scenarios. Present coaching concepts in clear, simple steps with relatable examples to help students easily understand the basics. Your role is to inspire and equip future coaches with practical knowledge, confidence, and enthusiasm for the profession.

SESSION PATHWAYS

Sessions will be organized into the following pathways: Individual Sports, Team Sports, Strength & Conditioning, and Athletic Training. We would also like to offer leadership sessions and general coaching sessions as well. Students will have the option to go to any session even if they are interested in a certain pathway.
